Weighing in

Look no further for the perfect way to add a quirky, yet functional touch to your bathroom. The new Elite Bathroom Feet Scales range from Morganware has a digital display for accuracy and easy reading. Available in red and blue to add a touch of colour, or silver and white to blend with the bathroom's neutral colour scheme, the Elite Bathroom Feet Scales are the perfect addition to your home.

Bathtime fun

Not only do these shower timers look incredibly cute, they're convenient, affordable and easy to use. The Yellow Duck and Green Turtle are the latest styles and, like the rest of the range, are waterproof, steam-proof and shatterproof. The strong suction cup makes sure it holds fast to any clean, glossy surface like tiles, glass or mirrors.

Shower in style

Capturing the essence of botanical Australia, this shower cap from MOZI features a lovely flannel flower print.

Puppy love

The new Rachael Hale product range from Annabel Trends is just too cute for words. This soft pink purse features an adorable Dalmatian complete with pig tails that will have you smiling from ear to ear every time you reach for your mascara!

Curtain up!

Jazz up your bathroom with this animal print IGGE shower curtain from IKEA.

Flower power

Made of recyclable plastic the flower Bathroom set from Outliving Lifestyle Products was conceived with nature in mind. Available in vibrant blue and pink or refreshing clear, the five accessories bring a modern floral garden into all corners of your bathroom.

Friendly face

Brighten up your bathroom with the cheerful Forever Friends range from Hogri. Using quality stainless steel, Hogri has created jolly and useful items to brighten up your bathroom.
